Nasty Jug with Irvine Quek

400 ml

SKU: BBX-MP004

Brewista joined forces with Irvine Quek, the youngest winner of the World Latte Art Competition, to innovate a pitcher that helps you get the control you need to make perfectly-frothed coffee creations.

The Nasty Jug's unconventional name epitomizes its bold look, along with a professional design to help beginners and aficionados alike master the art of the foam.

06

Cupping Essentials

The ultimate tools for roasters and cuppers alike, Brewista's cupping essentials offer control and mastery of the coffee ritual.
